OPTICAL INTERNET TRANSLATION GANG PRESENTS:

TMNT 3 (CBB): CHAPTER 2

When Raphael becomes a soccer player for a panel, he's pretending to be Ruy Ramos, who was born in Brazil but became a Japanese citizen and played on the national team.
In this chapter we're already seeing some things being different from the movie.
Iron and Silver were new characters made up just for this manga as far as I know.
Also the turtles winning a fight by hitting someone in the dick. Which I suppose isn't very far off from most of the movie fights.
Adam would like to give a special thanks to Mike Russel for lending him this book.
No joke again this time, sorry. I did watch this movie the other day, for the first time in years, and it really ain't *that* terrible.
The TMNT costumes suck, but most of the movie they are in the samurai armor anyway. The sets and stuff are all pretty good, anyway.
